Our Promoters

They see to it that we have everything we need for our acts and through their efforts our circus has become one of the most outstanding in the country.

Mr. Eve

Mr. Eve, our Superintendent, keeps the show running smoothly. He helps the performers and trainers plan their acts and carry them out. Mr. Eve believes that the show must go on. When no one else could be found to direct the senior play he did it himself. We, the lions, roar in thanks.

Our Stenographers

Miss Ella Blackstone and Mary Ellen Kretchmar keep the office running smoothly. They answer the telephone, do the typing, answer questions, keep the records, and generally straighten out everyone's problems.

OUR RINGMASTER — Mr. Erwin

The house lights are dimmed, the spotlight is focused on the center of the ring. Our ringmaster has made his entrance. The show is about to begin:

Lion

Act

Attention! Ladies and Gentlemen! I take great pleasure in presenting our most outstanding act—the LION ACT. But before we bring them on let me tell the history of these lions.

They entered the circus as cubs — wild, frisky, and impatient but under the careful leadership of their trainers they gradually became adapted to the circus life. As cubs they made their first public appearance in an act entitled “The Turkey Trot”.

Year number two was marked by an occasional impatient outburst, indicating that they were still somewhat untamed; however, as sophomores they conquered new glory by staging a “Spring Carnival”.

Gorged with the feel of success, our lions sought new conquest and under the direction of an able trainer they put their “Best Foot (Paw) Forward” and won wide applause by PROMenading for the senior members of the circus.

As seasoned performers our lions lunged into their fourth year led by the four lions outstanding in their performance: Don Lottes, John Rohrbach, Janet Chittum, and John Held. “Don’t Take My Penny”, a hilarious show, staged earlier this year, was met with wide acclaim by circus patrons. So famous had our lions become that pins were sold in their behalf. To wind up their four years of circus life the Lions invited the lions of Crown Point, Hobart, Lowell, and Griffith to the Little-4-Hop. At last, as tribute to their consistently good performance our lions received the two coveted awards of Baccalaureate and Commencement. Now on with the show.

Elephant

Act

Step right this way ladies and gentlemen, and see our renowned elephant act.

In this, their third great year of performance, they will display a magnificent extravaganza of stars, never before seen under one big top. So sure of their success are they that they continue this act by presenting a prom.

As in every act there are stars and the elephants are not to be denied their high position. They have placed Betty Lowe and Joan Palmer as cheerleaders and sent Arline Kolar to Girls' State to be elected governor.

That will give you a brief idea, ladies and gentlemen, of what to expect when these great performers come back for their fourth year in the colossal C. P. H. S. circus.

Pony

Act

The autumn of '46 found our ponies more surefooted after their first year's training and ready to plunge into their second season of performances.

As veterans of one year, we find our ponies taking an increasingly prominent role in the C. P. H. S. circus.

The outstanding act of the first half of this season was a dance.

As recognition of winning their place in the circus, the ponies were costumed in gray and red "blankets" and this year you will note the addition of new loops (class rings to you) which will be used in their forthcoming acts.

So now we shall focus the spotlight on our ponies illuminating their scholastic and social activities.

Clown

Act

Now to delight the hearts of young and old we bring on the clowns!

The antics of these frolicsome characters add a certain something to the circus life which cannot be rivaled by any other set. Although their actions are received with everything from tears to hysterical laughter, they never fail to make a new attempt to please their public.

Typical of his characteristic is the dance staged by the clowns during their first year of performance with the circus.

You never know what to expect. The ultimate result of their actions is hard to predict, but whatever it may be, it will be worthwhile to watch.

Specialty Act

Band Wagon

After twelve years of faithful and diligent work with the band he finally attained the achievement of placing the band in first position in the State Band Contest of 1946. Mr. Ready has been a wonderful director and a fine man to work under. We express our thanks.

Ray has been with the band three years and has been a student director three years. Although he did not march he has been a great help to the concert band as first bass.

It is always a great loss to the band when the Seniors graduate for most of them held first position. This year there are so many outstanding members leaving that Margie Ready, who was elected the Outstanding Band Member of 1946 felt that each Senior was to be given the title since each was equally important. We congratulate this group for the fine job they have done in the years spent with the band.

Joan has been in the band four years holding the important position of Drum Major. She has been the last two years. Whenever the band marched Joan was out in front to lead them.

Lynelle has been in the band five years and has been a student director two years. She participated in both marching and concert band holding the position of first French horn.

Circus Sunbeams

This society, rightly termed the circus sunbeams, work under the guidance of Mrs. King and Miss Rickenbaugh, and under the leadership of the following officers: President, Arline Kolar; Vice-President, Pat Brown; Treasurer, Doris Graper; Recording Secretary, Marjorie Ready; Corresponding Secretary, Dorothy Dillabaugh. They attempt to radiate the joy of circus life to those who are less fortunate. In accordance with this objective the members of this group distribute Thanksgiving baskets to needy.

Every year new members are added to the group in an impressive candlelight service. The Sweetheart Dance, sponsored by this group each year, not only is one of the most colorful activities of the year, but also furnishes money to be given to the Riley Fund.

At the May Breakfast, which terminates the year's activities, the new officers are installed and secret pals are disclosed.

Our Strongman Plays Football

The first big event is the rough and tumble football squad. From the 70 eager and hopeful boys that reported at the opening of the practice sessions, a well trained and coached squad of 22 was chosen to represent the alma mater. With the odds of weight and size against them but with unparalleled spirit and initiative, they chalked up a record of 3 wins and 5 losses.

The season opened against Valparaiso with the Bulldogs getting off to a good start. The following week found them in Lowell with the result not quite so favorable. Against Merrillville in the next game, revenge was duely won but the visit of Plymouth the following week brought another setback. The game with Hobart proved to anyone in doubt that the Bulldogs were tough even though the score showed otherwise. Travel-

ing to Rensselaer, revenge was again sought and won, but the next two games against Lowell and Griffith gave the Bulldogs no chance to taste victory.

The annual Football Banquet sponsored by the Civic Club, climaxed the 1946 season.

. . . He plays basketball, too . . .

The basketball season this year was a bad one for the Bulldogs. Followed by bad luck all season, they won only 3 games while losing 16. Although many of the games were very close to victory and team spirit was high, the breaks just didn't seem to be in the books.

The season was brought to a close in the sectionals at Hammond against Dyer with the 16th loss for Crown Point.

... Watch him hit that ball !!!

The baseball season of 1946 was the first Crown Point has seen. It was also the first return engagement for Coach Carnahan upon his return from the Army. Even though it was the first season for team and coach, it was very successful showing a record of 6 wins, 3 losses, and 1 tie. The tie game was played with Griffith and was called because of darkness in the 10th inning after neither team was able to break the deadlock. The game was played off later as the championship game for the Lake Porter County Title with C. P. receiving a disheartening defeat.

“He pounds the cinders”

At the opening of the track season in 1946, the outlook was very favorable for Crown Point and at the end of the season there was nothing to deny this. Running through a hard schedule, the Bulldogs won 6 and lost 2 in dual, triangular, and quadrangular meets. In the Little Four Meet they placed second; in the Lake Porter Conference meet they placed third; and in the Edison Relay, they placed fourth.

Not only was the team strong as a whole but also individually. There were new records set in almost every event and with the loss of only one letterman there should be many more set next season. Following are the records as they stand since 1943:

. . . And so, ladies and gentlemen ends our
circus. Here come the performers for one
last bow. In the behalf of every member
of this Big Top, I wish to thank you for
your encouraging applause which have fully
repaid us for our work. The lights dim now,
and so, we bid you goodbye for another
year "Under the Big Top".

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–1999) and is projected to increase by a further 1.5 million by 2020 (Office of National Statistics 2000).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (2000) has published a strategy for the ageing population, which sets out the government's commitment to improve the health and quality of life of older people. The strategy is based on three main principles: (1) to ensure that older people have access to the services they need; (2) to ensure that older people are able to live independently; and (3) to ensure that older people are able to participate in society.
